Protecting your child's personal data & images

The General Data Protection Regulations (GDPR) and the Data Protection Act cover the protection and processing of personal data, some of which is classed as 'Sensitive Personal Data', and include electronically stored, as well as paper based information. To hold this 'Personal Data', and other details within our records, we need your explicit consent, which you are free to withdraw at any time. This helps the Group to provide Scouting in a safe and appropriate manner, and normally includes the following information about your child:

- name & date of birth – to allow us to record their progress in Scouting
- contact information – so that we can get hold of you, should we need to do so
- health & well-being - so that we are prepared for medical emergencies
- disabilities - to make sure that your child's participation in activities is safe
- religious or similar beliefs - to help us to make appropriate arrangements, when necessary
- racial or ethnic origin – so that we are sensitive to their cultural needs

The Group uses the internet based 'Online Scout Manager' to hold these records, which is GDPR compliant, and will keep them for four seven after your child leaves the Group. None of the information held by the Group will be disclosed to third parties outside the Scout Movement, without your consent. You can check the information that the Group holds to ensure that it is accurate and up-to-date, by using the 'My.Scout' facility.

Sometimes photographs, digital and/or video images of your child taking part in activities are used within the Group, in District or County Newsletters, on Facebook and websites, are submitted to local newspapers, or are put on display. However, when this is done, the individual's name is not linked to the picture. To store and use these types of images of your child, both while that are a member, and after that for historical purposes, we need your consent.

Full details are set out in the Group's Privacy Policy on its website – wedmorescoutgroup.org.uk

Subscriptions & Gift Aid Donation

The financial data the Group holds is maintained on the 'Online Scout Manager'. This includes your child's monthly subscription and other one-off costs for special activities such as sleep-overs, camps or visits, also whether each individual is eligible for Gift Aid.

If you pay Income Tax, please participate in the Group's Gift Aid Scheme, which allows the Group to reclaim tax on any qualifying donation and/or subscription made in the past four years, as well as all future gifts of money that you make; regardless of whether it is regular payment or a one off. **It is important that the declaration below is completed by the person who will pay the members subscriptions.**

This is not a legal document and does not ask you to commit to paying the membership subscription for a set period. Please notifying the Group if you:

- Want to cancel this declaration
- Change your name or home address
- No longer pay sufficient tax on your income and/or capital gains
